

What's New?

Fall 2020 Policies

SOCIAL DISTANCING

PBTC is operating in a social and physical distancing environment, but even with best efforts and intentions, there will be times when the children will breach the distancing recommendation. We ask that parents, siblings, etc. also maintain a 6' social distance when in our lobby, hallway, restrooms and any general space.

STAFF TEMPERATURES

PBTC staff members will be checked upon entering the building, given their consent. Anyone presenting with an elevated temperature or symptoms of illness, will be immediately sent home.

MASKS

PBTC staff will be wearing a mask or face covering as long as mandated by our NC Governor.

ILLNESS

Any athlete, staff, or parent that shows any sign of illness upon arrival or during training will be asked to leave immediately. Sick children will be quarantined and supervised in an owner's office until a parent arrives.

PARENTS & SIBLINGS

We are asking that only one parent or non-participating individual enter the building with their child. The play area for children, previously in our parent viewing area, has been removed. If your child is old enough, we encourage you to drop them off and pick them up in the parking lot or outside our exit door whenever possible.

HAND SANITIZING

We will be sanitizing all kids' hands at the beginning and end of their time at PBTC. Parents of preschool aged kids will be responsible for sanitizing their child's hands before and after class.

TRAFFIC FLOW

Customers will continue to enter the building through our main front door. However, in order to help maintain social distancing, you will exit through a door beyond our bathrooms directly beside our large garage door 3:30pm-5:30pm Monday-Friday and on Saturdays 9:30am-12:30pm. There are floor markers to guide you. Before 3:30pm and after 5:30pm Monday-Friday and before 9:30am and after 12:30pm on Saturdays, you may exit through our main front door.

OCCUPANCY

We will continue to run at 50% of our full occupancy through the NC Governor's mandate.

CLEANING

We have always been committed to providing a clean and sanitary environment for our customers. However, we have added additional cleaning between classes and practices, extensive cleaning every night and a gym wide professional disinfecting that lasts seven days, once a week.

WATER FOUNTAINS

Our water fountains will be closed for Fall 2020. Our hands-free water bottle filler will remain open. We encourage our athletes to bring a water bottle with them. However, please know that any water bottles left in the building at the end of each day will be thrown away without exception.
